Japanese Association for the Study of
International Social Work hosts

Lecture Social work in the post pandemic era -Service User's Perspective-

What is the society beyond the dark tunnel of Corona?
What should be social work that respects the opinions of
the service users? The lecturer will discuss the role of
social workers with consideration for the service users,
from U.K.'s support in Africa and support in the U.K.

Lecturer : **Ms. Ruth Stark**

(Independent Social Worker, Immediate Past President
of International Federation of Social Workers, IFSW)
